What's New in Helix Swarm 2020.2

Helix Swarm is the scalable code review and collaboration tool for Helix Core. With Helix Swarm, your contributors can share files, comment, review, vote, approve, and submit final work all directly within the web-based interface. Swarm automates the entire process via notifications —making it easy to monitor progress and accelerate feedback.

Release Version	2020.2	2020.1	2019.3	2019.2 +
Updated review list UI	✓	✗	✗	✗
