

PERFORCE® P4 ONE SOFTWARE LICENSE AGREEMENT

PLEASE READ THE FOLLOWING SOFTWARE LICENSE AGREEMENT BEFORE INSTALLING AND USING THE SOFTWARE PROGRAM ASSOCIATED WITH THIS SOFTWARE LICENSE AGREEMENT. CLICKING ON THE “ACCEPT” OR “YES” BUTTON IN RESPONSE TO THIS SOFTWARE LICENSE AGREEMENT (THIS “LICENSE AGREEMENT”) INQUIRY AS TO ACCEPTANCE OF THE TERMS OF THIS LICENSE AGREEMENT, OR BY INSTALLING OR DOWNLOADING THE SOFTWARE, INDICATES ACCEPTANCE OF, AND AGREEMENT TO, AND LEGALLY BINDS, YOU, AND YOUR EMPLOYER, AS APPLICABLE (COLLECTIVELY THE “LICENSEE”), AND PERFORCE SOFTWARE, INC., A DELAWARE CORPORATION (“PERFORCE”), TO THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT. IF THE LICENSEE DOES NOT ACCEPT AND AGREE TO THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT THEN LICENSEE SHALL NOT DOWNLOAD, INSTALL, OR OTHERWISE USE THE SOFTWARE. THE RIGHT TO USE THE SOFTWARE IS CONDITIONAL UPON ACCEPTANCE OF THIS LICENSE AGREEMENT.

1. **Grant of License; Restrictions.**

1.1 Grant of License. In consideration of Licensee’s payment of the license fee, and subject to the terms and conditions of this License Agreement, Perforce grants to Licensee a limited, non-sub licensable, non-exclusive, non-transferable, fully-paid, time-based license for Licensee to: (a) install and use the machine-readable object code of Perforce’s P4 One computer software program, and the then-current printed and digital user manual(s), instructions, on-line help files, and technical documentation for such computer software program(s) made available by Perforce (collectively, the “Documentation”), and any modified or updated versions of any of the foregoing made available to Licensee by Perforce (the “Software”) in accordance with the Documentation for Licensee’s own direct, non-commercial, and internal business purposes, and subject to any limitation on use specified in this License Agreement; and (b) install and use the Documentation solely in conjunction with and in support of Licensee’s licensed use of the Software. Perforce hereby reserves all rights in and to the Software that are not specifically granted by this License Agreement.

1.2 Restrictions on License Grant. Except as expressly provided in Section 1.1 above, Licensee will not, either directly or indirectly, cause, instruct, direct, or permit any other party to: (a) reverse engineer, translate, disassemble, decompile, sell, rent, lease, manufacture, adapt, create derivative works from, or otherwise modify or distribute the Software or the Documentation, or any part thereof; (b) attempt to discover the source code of the Software, nor permit any third party to do so; (c) copy, in whole or in part, the Software or the Documentation; (d) delete any copyright, trademark, patent or other notices of proprietary rights of Perforce or other parties as they appear anywhere in or on the Software or Documentation; or (e) tamper with, or attempt to tamper with, or circumvent or disable, or attempt to circumvent or disable, any license key or other limiting function delivered with the Software, or otherwise attempt to gain access to functionality or capacity that is not validly licensed by Licensee. Licensee will not remove or otherwise alter any proprietary notices or labels from the Software, Documentation, or any portion thereof.

1.3 Compliance with Laws; Export Control. Licensee agrees to comply fully with all applicable laws, statutes, regulations, rules, ordinances, codes, and standards relating to any export controls and economic sanctions laws of the United States or abroad. Accordingly, any use, transshipment, or diversion of the Software contrary to applicable export control laws or sanctions laws is prohibited.

1.4 Confidentiality. Each party to this License Agreement agrees to keep confidential and to use only for purposes of performing its obligations under this License Agreement, any proprietary or confidential information of the other party disclosed pursuant to this License Agreement that is marked as confidential, is identified at the time of disclosure as confidential, or that would reasonably be considered confidential or proprietary in nature. The obligation of confidentiality shall not apply to information that is publicly available through authorized disclosure, or information that is required to be disclosed by law, government order, or request to be disclosed (provided that the receiving party shall give reasonable advance written notice to the other party prior to such disclosure and an opportunity, at the objecting party’s expense, to take legal steps to resist or narrow such request). Licensee acknowledges and agrees that the Software shall be deemed as Perforce’s confidential information. Each party’s obligations of nondisclosure with regard to proprietary or confidential information are effective as of the date such proprietary or confidential information is first disclosed to the receiving party and will expire five (5) years thereafter; provided, however, with respect to any proprietary or confidential information that constitutes a trade secret (as determined under applicable laws), such obligations of nondisclosure will survive the termination or expiration of this License Agreement for as long as such proprietary or confidential information remains subject to trade secret protection under applicable laws.

2. **Limited Warranties and Disclaimers.**

2.1 Limited Warranty. Perforce warrants that for a period of thirty (30) days after the receipt of the latest release of Software, the Software will perform substantially in accordance with its Documentation. Perforce does not warrant, however, that Licensee’s use of the Software will be uninterrupted, that the operation of the Software will be error-free, that the Software will meet Licensee’s requirements or that all errors will be corrected. If, during the warranty period, as defined above, the Software fails to perform in accordance with the warranty, Perforce shall use reasonable commercial efforts to correct the failure of the Software to perform in accordance with this warranty.

2.2 Warranty Not Applicable. The above limited warranty will not apply to: (i) any defects caused by the combination, operation, or use of the Software with software, hardware, or other materials not provided by Perforce; (ii) the Software being

modified by any party other than Perforce; and (iii) any use of the Software that does not conform to Perforce's requirements as set forth in the documentation.

2.3 **DISCLAIMER OF WARRANTIES.** EXCEPT AS EXPRESSLY SET FORTH IN SECTION 2.1, THE SOFTWARE IS PROVIDED "AS IS," AND PERFORCE MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, AND PERFORCE DISCLAIMS ALL REPRESENTATIONS, WARRANTIES, AND CONDITIONS RELATING TO THE SOFTWARE, OR OTHER SUBJECT MATTER OF THIS LICENSE AGREEMENT, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE IN TRADE, OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF TITLE, NONINFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. PERFORCE DOES NOT MAKE ANY WARRANTY WITH RESPECT TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SOFTWARE. TO THE EXTENT THAT PERFORCE IS NOT PERMITTED BY APPLICABLE LAW TO DISCLAIM ANY WARRANTY PROVIDED HEREIN, THE SCOPE AND DURATION OF SUCH WARRANTY SHALL BE THE MINIMUM REQUIRED UNDER SUCH LAW.

3. **Intellectual Property Ownership; Intellectual Property Infringement.**

3.1 **Intellectual Property.** Licensee acknowledges and agrees that it obtains no ownership rights in the Software or Documentation under the terms of this License Agreement, and that Perforce has and retains all right, title, interest, and ownership, including all intellectual property rights, in and to the Software and Documentation and in any copies, improvements, enhancements, or updates of the Software and the Documentation, whether made by Licensee or Perforce. As between Perforce and Licensee, Perforce owns all rights, title, interest, ownership, and proprietary rights in and to the Software, Documentation, and all related intellectual property therein. Perforce's rights include, but are not limited to, all copies of the Software, Documentation, and any patent rights (including but not limited to patent applications and disclosures), copyrights, trademark rights, trade secret rights, and any other intellectual property right recognized in any country or jurisdiction in the world. The Software is protected by United States laws, laws of other nations, and international treaty provisions. The Software, any license keys to the Software, and the Documentation constitute and embody valuable confidential information and trade secret information of Perforce, and Licensee will secure and protect such confidential information and trade secret information consistent with Perforce's rights therein and will not disclose such confidential information and trade secret information to any third party.

3.2 **Claim of Intellectual Property Infringement.** Notwithstanding any other provision of this License Agreement, Perforce will defend, or settle at its own expense, any action brought against Licensee to the extent that it is based on a claim that any Software supplied by Perforce hereunder infringes any third party intellectual property right (an "Infringement Claim"), and indemnify Licensee and its officers, directors, shareholders, employees, accountants, attorneys, and third party agents, against fines, penalties, costs, damages and expenses (including reasonable legal fees) finally awarded against Licensee by a court of competent jurisdiction, or agreed to in a written settlement agreement by Perforce, arising out of such Infringement Claim. Perforce's obligation to indemnify Licensee pursuant to this Section 3.2 is subject to the following conditions: (a) Licensee must give Perforce prompt written notice of any Infringement Claim; (b) Licensee must provide, at Perforce's expense, reasonable information and assistance in connection with the defense and settlement of such Infringement Claim; (c) Licensee agrees in writing with Perforce that Perforce has sole control of the settlement or defense of such Infringement Claim; and (d) has not compromised or settled such Infringement Claim without Perforce's prior written approval.

3.3 Notwithstanding the foregoing, Perforce will have no obligation under Section 3.2 or otherwise with respect to any infringement claim based upon: (i) any use of the Software not in accordance with this License Agreement or the Documentation; (ii) any use of the Software in combination with other products, equipment, software, or data not supplied by Perforce where the combination gives rise to the claim; (iii) use of the Software in conjunction with Licensee data where use with such data gives rise to the claim; (iv) Licensee's failure to use updated or modified versions of the Software provided to Licensee by Perforce in order to avoid potential claims; (v) Software licensed for no fee, including trial, evaluation, or beta Software; or (vi) any modification of the Software by any party other than Perforce, or an authorized third party agent of Perforce. If a temporary or permanent injunction is obtained against the use of any part of the Software for the reason that it infringes any third party's intellectual property rights, Perforce will, at its option and expense, either (a) procure for Licensee the right to continue to use the Software, or (b) modify the Software so that it becomes non-infringing but remains in substantial compliance with the Documentation. THE PROVISIONS OF THIS SECTION 3 STATE THE EXCLUSIVE LIABILITY OF PERFORCE, AND THE EXCLUSIVE REMEDY OF LICENSEE, WITH RESPECT TO ANY CLAIM OF INTELLECTUAL PROPERTY INFRINGEMENT.

4. **Limitation of Liability.** IN NO EVENT SHALL PERFORCE BE LIABLE FOR ANY LOSS OF PROFITS, ANY INDIRECT, SPECIAL, INCIDENTAL, AND/OR CONSEQUENTIAL DAMAGES, INCLUDING PUNITIVE OR MULTIPLE DAMAGES, OR ANY CLAIMS OR DEMANDS BROUGHT AGAINST LICENSEE, EVEN IF PERFORCE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH CLAIMS OR DEMANDS. THIS LIMITATION UPON DAMAGES AND CLAIMS IS INTENDED TO APPLY WITHOUT REGARD TO WHETHER OTHER PROVISIONS OF THIS LICENSE AGREEMENT HAVE BEEN BREACHED OR HAVE PROVEN INEFFECTIVE. LICENSEE MAY HAVE ADDITIONAL RIGHTS UNDER CERTAIN LAWS (*E.G.*, CONSUMER LAWS) THAT DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, OR THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES. IF SUCH LAWS APPLY, CERTAIN EXCLUSIONS OR LIMITATIONS MAY NOT APPLY TO LICENSEE; HOWEVER, ALL OTHER RESTRICTIONS AND LIMITATIONS SHALL REMAIN IN EFFECT.

5. **Term and Termination.** This License Agreement will commence on the date of download of the Software and continue until terminated in accordance with the terms hereof. Perforce may terminate this License Agreement if Licensee breaches its obligations hereunder. Upon termination of the License Agreement for any reason the following terms shall apply: (a) all rights granted under

this License Agreement will immediately terminate and Licensee must immediately stop all use of the Software; (b) Licensee must return to Perforce or destroy all copies of the Software provided to or made by or on behalf of Licensee, and will, within ten (10) days after the effective date of termination, provide Perforce with written certification that all such copies have been returned or destroyed; and (c) all provisions of this License Agreement that expressly, by implication, or necessity, contemplates performance or observance subsequent to the termination of this License Agreement will survive termination or expiration of the License Agreement and will continue in full force and effect, including any outstanding payment obligations. Any termination shall be without prejudice to the rights and remedies of either party that may have accrued prior to such termination. A party's intent to terminate this License Agreement under this [Section 5](#) will be made by a written notice to the other party.

6. Miscellaneous.

6.1 This License Agreement, or any of your rights and obligations under this License Agreement, cannot be assigned or otherwise transferred in whole or in part, and any such attempted assignment or transfer by Licensee in violation of the foregoing will be null and void.

6.2 This License Agreement and any claim, cause of action or dispute arising out of, or related thereto, shall be governed by, and construed in accordance with the laws of, the State of Delaware, regardless of Licensee's country of origin or where Licensee uses the licenses from, without giving effect to any conflict of law principles, which would result in the application of the laws of a jurisdiction other than the State of Delaware. Any dispute, claim, or controversy arising out of, connected with, or relating to this License Agreement, the Software, or any use related thereto, will be submitted to the sole and exclusive jurisdiction of the competent court located in State of Delaware. The 1980 United Nations Convention on Contracts for the International Sale of Goods, any state's enactment of the Uniform Computer Information Transactions Act, and the United Nations Convention on the Limitation Period in the International Sale of Goods, and any subsequent revisions thereto, do not apply to this License Agreement.

6.3 Failure by Perforce to enforce any rights under this License Agreement will not be construed as a waiver of such rights, and a waiver in one or more instances will not be construed as constituting a continuing waiver or as a waiver in other instances. No modification of this License Agreement shall be binding unless it is in writing and is signed by an authorized representative of the party against whom enforcement of the modification is sought. Except as expressly provided in this License Agreement, there are no third-party beneficiaries of this License Agreement.

6.4 Licensee acknowledges that money damages may not be an adequate remedy in the event of actual or threatened breach of the obligations and/or undertakings hereunder. Therefore, in addition to any other remedies available hereunder, by law or otherwise, Perforce will be entitled to seek and obtain injunctive relief and/or any other appropriate decree of specific performance or any other appropriate equitable relief.

6.5 If any provision of this License Agreement is held invalid, illegal, or otherwise unenforceable, such provision will be enforced as nearly as possible in accordance with the stated intention of the parties, and the enforceability of the remaining provisions of this License Agreement will not be impaired thereby. To the extent any provision cannot be enforced in accordance with the stated intentions of the parties, such provision will be deemed not to be a part of this License Agreement.

6.6 This License Agreement constitutes the sole and entire agreement of the parties with respect to the subject matter hereof and supersedes and cancels any prior and contemporaneous oral or written proposals, promises, or agreements. There are no promises, covenants, or undertakings other than those expressly set forth in this License Agreement.
